

## Part II Architectural Assistant

Ab Rogers Design is looking for an experienced Part II Architectural Assistant to join a friendly, dynamic, multi-disciplinary design team in an exciting working environment. Our pre-requisites are talent, a keen eye for detail and a passion for your work.

Skills and experience required:

- Minimum two years post Part II experience
- Good knowledge of Vectorworks 2D and 3D, Photoshop, Illustrator and InDesign essential
- Rhino 3D and Sketch-up advantageous
- Ability to work well in a high pressure environment and meet demanding deadlines
- Ability to track changes, receive and issue information and seek approvals with initiative and attention to detail
- Ability to work well as part of a team, assisting others in meeting their project needs and deadlines
- Ability to communicate effectively and efficiently with clients and suppliers
- Unique vision and flair for design and innovation
- Confident, organised, intelligent and proactive

Full time position starting as soon as possible. Salary dependant on experience.

Please send your CV, examples of work, a covering letter and available start date to [info@abrogers.com](mailto:info@abrogers.com).

Ab Rogers Design is an established London design and architecture studio that looks for extraordinary experiences in ordinary objects and environments. The practice embraces new materials and technologies in its commitment to making everyday life a place of surprise and delight.

Application deadline: Friday 3<sup>rd</sup> June

## Senior Project Architect

Ab Rogers Design is looking for a Part III Architect to join a multi-disciplinary design team in a dynamic working environment. Our pre-requisites are talent, a keen eye for detail and a passion for your work.

Ab Rogers Design is an established London design and architecture studio that looks for extraordinary experiences in ordinary objects and environments. The practice embraces new materials and technologies in its commitment to making everyday life a place of surprise and delight

As a part of a small practice dealing with high-end clients from all sectors including arts and culture, commercial, retail and hospitality, you will be consistently involved in all stages of the design process, engaging directly with the client from the start through to completion. As a senior member of our diverse international team of designers, you'll enjoy taking a creative lead on projects both big and small in scope.

Skills and experience required:

- Experience leading projects
- Minimum five years post Part III experience
- Good knowledge of Vectorworks 2D and 3D essential
- NBS, Rhino 3D, Sketch-up, InDesign, Illustrator and Photoshop advantageous
- Unique vision and flair for design and innovation
- Ability to work well in a high pressure environment and meet demanding deadlines
- Ability to track changes, receive and issue information and seek approvals with initiative and attention to detail
- Ability to work well both independently and as part of a team, directing projects and assisting others in meeting their project needs and deadlines
- Ability to communicate effectively and efficiently with clients and suppliers
- Confident, organised, intelligent and proactive

Full-time position starting as soon as possible. Competitive salary commensurate with experience.

Please send your CV, examples of work, a covering letter and available start date to [info@abrogers.com](mailto:info@abrogers.com).
